hereby give my consent for my contact details to be released to the Australian Rheumatology Association Database (ARAD).

ARAD is a long term arthritis follow up study. The aim is to provide better care and improve outcomes for people with arthritis by learning more about, the impact of living with arthritis and the long term effects that different medical treatments may have. In completing this form I understand that a Project Co-ordinator from ARAD will contact me to explain the project and what my involvement will be. I also understand that my contact details will be kept secure and will not be used by any other party or for any other purpose without my permission. Reports on my outcomes will be released only to my treating Rheumatologist.

If you have any concerns or questions you can talk to the Project Co-ordinator when they call you or you can contact Prof Rachelle Buchbinder on (03) 9508 1652, A/Prof Lyn March on (02) 9926 7351 or A/Prof Marissa Lassere on (02) 9350 2330 with any queries.
